Reopening of Virtual School

Dear Parents

Greetings of the new academic year!

We are glad to inform you that the teachers are again all set for the online teaching in virtual classrooms where their students will learn through onscreen lessons taught by their very own school teachers. As the holy month Ramadan begins on 13th April, the school has decided to follow the Ramadan timings w.e.f. 4th April 2021 as per the following details:

Ramadan School Timings		
S. No.	Grade	Time
1	Kindergarten	9:00 am to 12:25 pm
2	Grades 1 to 5	9:00 am to 01:05 pm
3	Grades 6 to 8	9:00 am to 01:45 pm

Please read the following to help you understand how we will go about with the classes and what the teachers expect of you as 21st century parents.

1. Install Zoom Meeting application.

For Windows: https://zoom.us/download#client_4meeting

For Android: <https://play.google.com/store/apps/details?id=us.zoom.videomeetings>

For IOS: <https://apps.apple.com/sa/app/zoom-cloud-meetings/id546505307>.

2. We recommend laptops and desktops; however, the application may also be used in tablets and mobile phones in case there is more than one student in a family.
3. The confidential meeting id of each teacher will be shared with you. All you have to do is to join meeting after periods of **35 minutes** each.
4. Teachers will take classes as per the given schedule. Please keep all the meeting IDs at hand.
5. You are requested to dedicate a comfortable corner with adequate furniture in your house to avoid any disturbance. You need to make sure that they must sit in discipline to maintain the sanctity of the classroom.
6. It is an interactive platform but the students will be put on **mute** while teaching. They will be allowed to speak during interactive sessions.

7. Mothers may accompany their wards during the initial phase just to help young children get accustomed to virtual classroom.
8. Fathers may join the classes where the male teachers are teaching.
9. Parents are requested not to interrupt unnecessarily during the class. They must not show homely care, scold or embarrass their ward.
10. The session will begin at the scheduled time irrespective of whether a student joins the session or not. Please make sure that your ward resumes to the class after each break.
11. **The classes once completed will not be repeated for absentees. However, if the students feel stressed due to longer screen time, they may skip auxiliary subjects.**
12. Home assignments, attendance and broadcast will continue through emails and groups as carried out in the past.
13. As not many teachers and parents are computer savvy, we may come across initial obstacles. Your patience and cooperation will surely help our students achieve the desired goals.

We look forward to have a wonderful academic year 2021-22 with lots of opportunities to learn & explore.

With best wishes

Mohammed Aamir Khan
